Features and Functionality

- No Limit to Tags, Templates or Reports
Prices are for a perpetual license with the option to extend Product Support.
- No Excel Install
An Excel installation is not required for design and runtime.
- Authentication and Security
User accounts determine what users have access to.
- Automatic Workbook Reports and Viewer
Built-in scheduler produces reports in workbook format. A secure workbook viewer to view and annotate reports.
- Automatic Reports on-time and on-event
Schedule your reports on-time or on-event.
- Import Government, Regulatory Templates
No need to recreate Excel templates from government. Import them right in.
- Export to Database, CSV and XML
Automatically export worksheet data to databases, csv and XML files.
- Template Library
“Out-of-box” templates for various applications and industries.
- Workbook Design Studio
Design report templates in a comfortable workbook environment or use Excel if it is available.
- Statistical Process Control Charts
“Out-of-box” Trend and SPC charts.
- Report On-Demand Locally
Produce reports on-demand by providing report parameters.
- Industry Metrics and Calculations
Out-of-box statistics like min and max, along with industry metrics like runtimes and flow totals.
- Database Management Tools
Manage tables and columns without any SQL knowledge.
- Automated PDF Reports and Secure Viewer
Built-in scheduler to produce reports in PDF format. A windows and web viewer for viewing the reports.
- Data Logger, Analytics, Manual Data Entry
Database data logger and manual data entry forms for operator rounds.
- Email, Text Messaging
Automated/manual email of reports and text messaging.
- 21CFR Part11 Features
Audit trail, version control and electronic signatures.
- Report Viewing from Clients
Viewing of scheduled reports from a windows/web client.
- Report On-Demand from Clients
Producing reports on demand from a windows/web client.
- eSignatures from Clients
Applying electronic signatures from windows client.

Support & Version Upgrades

- 60 Days of technical support from Purchase
For all editions.
- 1 Year Support & Version Upgrades
For Suite edition and above with an optional annual extension.
